

February, 2017

DANIEL S. NAGIN

3038 Hamburg Hall
Carnegie Mellon University
Pittsburgh, Pennsylvania 15213
(412) 268-8474

1232 N. Sheridan Avenue
Pittsburgh, Pennsylvania 15206
(412) 363-8279

EDUCATION

CARNEGIE MELLON UNIVERSITY, Graduate School of Industrial Administration,
B.S. (Administrative and Managerial Sciences) and M.S. (Industrial Administration),
1971

CARNEGIE MELLON UNIVERSITY, School of Urban and Public Affairs, Ph.D.
(Urban and Public Affairs), 1976.

PROFESSIONAL EXPERIENCE

TERESA AND H. JOHN HEINZ III UNIVERSITY PROFESSOR OF PUBLIC POLICY AND
STATISTICS, H. J. Heinz III College, Carnegie Mellon University, Pittsburgh, PA. 1999 to
present (University Professor 2008 to present).

VISITING SCHOLAR, Russell Sage Foundation, NY, NY. September 2011 to June 2012

ASSOCIATE DEAN OF THE FACULTY, Heinz College, Carnegie Mellon University,
Pittsburgh, PA., 2006 to present.

ADJUNCT PROFESSOR OF PSYCHOLOGY, University of Pittsburgh, Pittsburgh, PA. 2005
to present.

VISITING SCHOLAR, Institute of Criminology and Clare Hall College, University of
Cambridge, U.K. January, 2003-July, 2003

ASSOCIATE MEMBER, Groupe de recherche sur l'inadaptation psychosociale chez l'enfant
(GRIP), University of Montreal 1998 to present.

MEMBER of MacArthur Network on Adolescent Development and Juvenile Justice, 2003 to

2007

MEMBER of MacArthur Network on Social Interactions and Economic Outcomes, 2000 to 2005

RESEARCH PROGRAM AREA DIRECTOR, National Consortium for Violence Research, Carnegie Mellon University, Pittsburgh, PA. 1997 to 2003

PROFESSOR OF MANAGEMENT, H. J. Heinz III School of Public Policy and Management, Carnegie Mellon University, Pittsburgh, PA. 1990 to 1998.

ASSOCIATE PROFESSOR OF MANAGEMENT, School of Urban and Public Affairs, Carnegie Mellon University, Pittsburgh, PA., September 1986 to 1990.

DEPUTY SECRETARY FOR FISCAL POLICY AND ANALYSIS, Pennsylvania Department of Revenue, 1981 to August 1986. Directed the activities of the Office of Policy Evaluation and Analysis, Office of Systems and Operational Analysis, Bureau of Computer Services and Bureau of Data Reduction.

ASSOCIATE PROFESSOR OF PUBLIC POLICY AND OPERATIONS RESEARCH, School of Urban and Public Affairs, Carnegie Mellon University, Pittsburgh, Pa., 1979 to 1981.

SENIOR ASSOCIATE, Cambridge Systematics, Cambridge, Massachusetts, 1978-1979.

ASSISTANT PROFESSOR OF PUBLIC POLICY, Institute of Policy Sciences and Public Affairs, Duke University, 1976-1978.

SYSTEMS ANALYST, New York Academy of Medicine, New York, New York, 1972-1973.

AWARDS AND HONORARY SOCIETIES

National Academy of Science Award for Scientific Reviewing (2017)

Carnegie Mellon University's Alumni Distinguished Achievement Award in (2016)

Thorsten Sellin Fellow American Academy of Political and Social Science (2014)

Stockholm Prize in Criminology (2014)

Fullbright Specialist Roster Member (2014)

National Associate of the National Research Council (2011)

University Professor, Carnegie Mellon University (2008)

Edwin Sutherland Award (for research contributions), American Society of Criminology (2006)

Life Member, Clare Hall College, University of Cambridge (2003)

Elected Fellow American Association for the Advancement of Science (2002)

Elected Fellow of the American Society of Criminology (1999)
1985 Recipient of the North Eastern State Tax Officials Association Award for Excellence in Tax Administration
Honorable Mention, Psychology Today's 1976 Social Issues Dissertation Contest
Sigma Xi

EDITORIAL BOARDS AND OTHER PROFESSIONAL ACTIVITIES

Co-Editor, Criminology and Public Policy, 2013 to present
Committee Member, Committee on the Causes and Consequences of High Incarceration Rates, National Research Council, 2012 to present
Elector, Wolfson Professorship of Criminology, University of Cambridge, UK
Chair, Committee on Deterrence and the Death Penalty, National Research Council, 2010-11
Chair, Committee of Visitors for Measurement, Methods, and Statistics, Division of Social and Economic Sciences, National Science Foundation, 2010
Advisory Board Member, Methodology Center, Penn State, 2010 to present
International Advisory Board, Netherland Institute for the Study of Crime and Law Enforcement, 2010 to present
Advisory Board Member, Center for Evidence-Based Crime Policy, George Mason University, 2008 to present
Committee Member, Committee on Assessing the Research Program of the National Institute of Justice, National Research Council, 2007 to present
Steering Committee Member, Center Advancing Longitudinal Drug Abuse Research, UCLA, 2005 to present
Advisory Board, Crime and Justice An Annual Review of Research, 2007 to present
Journal of Experimental Criminology, 2004 to present
Journal of Criminal Law and Criminology, 2003 to present
Development and Psychopathology, 2003 to 2007
Criminology, 1992 to 1999, 2003 to 2014
Executive Counselor, Board of the American Society Criminology, 2003-2005
Member, Roundtable on Social and Behavioral Sciences and Terrorism, National Research Council, 2002 to present
Steering Committee for Workshop on Issues in Research on Violence Against Women, National Research Council, 2001-2002
Methodology, Measurement, & Statistics Program Advisory Board Member, National Science Foundation, 2000 to 2003
Associate Member of the Groupe de recherche sur l'inadaptation psychosociale chez l'enfant (GRIP), University of Montreal, 1998 to present
Member of Committee on Law and Justice, National Research Council, National Academy of Sciences, 1997 to 2004
Advisory Board for Research on Pathways to Desistance Project, 2000 to present
Senior Editor, Crime and Justice Research, 2000 to present

Academic Advisory Council of the National Campaign Against Youth Violence, 1999 to present
Journal of Policy Analysis and Management, 1999 to 2004
Steering Committee National Consortium on Violence Research, 1996 to 2006
Evaluation Review, 1995 to present
Policy Sciences, 1996 to Present
Journal of Quantitative Criminology, 1997 to present
Board of the Pennsylvania Governor's Energy Council (1986-1990)
Board Pittsburgh Filmmakers (1988-91)

MAJOR ADMINISTRATIVE DUTIES

Associate Dean of the Faculty, 2006 to the present
Chair, Heinz School Ph.D. Program (1992-1995, 1999)
Vice-chair, University Research Council (1995-96)
Chair, President's Distinguished Lecture Series (1992-93)
Executive Committee, Faculty Senate (1995-96)
University Tenure and Promotion Review Committee (1993-95)

GRANTS

“Imprisonment and Reoffending,” National Science Foundation. Start Date:2010 (\$200,000)

“Extension to Topics in Group-Based Trajectory Modeling,” National Science Foundation. Start Date: 2009 (\$59,912)

“Topics in Group-Based Trajectory Modeling,” National Science Foundation. Start Date: 2007 (\$300,000)

“A Group-based Method for Analyzing Development,” National Institute of Mental Health. Start Date: 2003 (\$1,097,266)

“Analyzing Developmental Trajectories with Mixture Models: A Second Generation of Models and Software,” National Science Foundation. Starting Date: 2000 (\$271,856)

“Violence Over Life Stages: An Integration of Psychological, Economic, and Sociological Perspectives,” National Consortium on Violence Research. Starting Date 2000 (\$523,673)

Impact of Legal Advocacy on Intimate Partner Homicide. National Institute of Justice. Starting Date: 1997 (\$191,870)

Trajectories of Violence from Childhood through Adolescence. National Consortium on Violence Research. Starting Date: 1997 (\$92,335)

Measuring Developmental Trajectories of Violence. National Consortium on Violence Research.

Starting Date: 1997 (\$61,827)

The Deterrent Effect of “Shall-Carry” Weapon Laws: A Re-analysis of the Lott-Mustard Data Set. National Consortium on Violence Research. Starting Date: 1996 (\$31,637)

Collaborative Research on Semi-Parametric Mixed Poisson Regression Models. National Science Foundation. Starting Date: 1995 (\$99,938)

Crime and Deviance Through the Life Course: Identification of Distinctive Group Trajectories and Characteristics. National Science Foundation. Starting date: 1994 (\$50,000)

Distinguishing Between Effects of Criminality and Drug Use on Violent Criminal Offending. National Institute of Justice. Starting date: 1992 (\$162,049)

Collaborative Research on Micro-models of Criminal Careers. National Science Foundation. Starting date: 1992 (\$36,436)

Estimating the Preventive Effects of Formal and Informal Sanctions: A New Approach. National Science Foundation. Starting date: 1992 (\$18,279)

Changes in the Criminal Careers of Drug Offenders. National Institute of Justice. Co-principal Investigator. Starting date: 1992 (\$187,297)

Crime Causation & the Linkage Between Past & Future Criminal Offending. National Science Foundation. Starting date: 1991 (\$61,500)

Undergraduate Research Training Grant. National Science Foundation. Starting date: 1991 (\$3,500)

Tax Compliance: The Role of Opportunity, Sanctions and Tax Practitioners. National Science Foundation. Starting date: 1987 (\$131,000)

User Response to Transit Service Reliability. Urban Mass Transit Authority, co-principal investigator. Starting date: 1981 (\$70,000)

BOOKS AND MAJOR REPORTS

Nagin, Daniel S. and Michael Tonry (editors). Forthcoming. *Reinventing American Criminal Justice Crime & Justice An Annual Review*. Chicago: University of Chicago Press.

Van Gelder, Jean- Louis, Henk Elffers, Danielle Reynald, & Daniel Nagin (editors). (2013). *Affect and Cognition in Criminal Decision Making*. Abingdon: Routledge.

National Research Council. 2012. *Deterrence and the Death Penalty*. Daniel S. Nagin and John V. Pepper (eds.). National Academy Press: Washington, DC.

Nagin, Daniel S. 2005. *Group-based Modeling of Development*. Cambridge, MA.: Harvard University Press.

Blumstein, Alfred, Jacqueline Cohen, and Daniel S. Nagin. 1978. *Deterrence and Incapacitation: Estimating the Effects of Criminal Sanctions on Crime Rates*. Washington, D.C.: National Academy of Sciences.

Nagin, Daniel S., and Philip Cook. 1977. *Does the Weapon Matter?* (PROMIS Research Publication No. 8), Washington, D.C.: INSLAW.

BOOK CHAPTERS AND REFEREED CONFERENCE PAPERS

Apel, Robert and Daniel S. Nagin. (in press). “Deterrence.” in Emerging Trends in the Social and Behavioral Sciences (eds.) Robert Scott and Stephen Kosslyn, Thousand Oaks, CA: SAGE.

Apel, Robert and Daniel S. Nagin. (in press). Deterrence: Legal perspectives. In James D. Wright (Ed.), *International Encyclopedia of the Social and Behavioral Sciences* (2nd ed.). Oxford: Elsevier.

Shah, Nirav, Vivek Vegi, Aankit Dhingra, Rema Padman, Daniel Nagin, and Ari Robicsek. “What is a “normal” postoperative temperature? Group based trajectory modeling in postoperative knee arthroplasty patients in a large health system”, *Proceedings of AMIA-DMMI 2015*, San Francisco, November 2015.

Padman Rema, Daniel Nagin, and Qizhi Xie (2014). “Disease Progression and Risk Prediction for Chronic Kidney Disease: Analysis of Electronic Health Record Data using Group-Based Trajectory Models”, *Proceedings of Workshop on Information Systems and Technologies* (WITS 2014), Auckland, New Zealand.

Blokland, Arjan. J. and Daniel S. Nagin. 2012. “Estimating th Effects of Imprisonment: Intended and Unintended Consequences of Incarceration.” In *Incapacitation: Trends and New perspectives*. Malsch, M. & Duker, M. (eds.) Farnham: Ashgate.

Durlauf, Steven N. and Daniel S. Nagin. 2011. “The Deterrent Effect of Imprisonment.” In Philip Cook, Jens Ludwig, and Justin McCrary (Eds). *Controlling Crime: Strategies and Tradeoffs*. Chicago: University of Chicago Press.

The VIth Annual Summer Institute on Developmental Science, Uppsala University, Sweden, “Measuring Continuity & Change: A Semi-parametric, Group-based Approach” and “Life Course Turning Points: A Case Study of the Effect of Grade Retention on Physical Aggression.” (June 6-7, 2003)

McArthur Network on Adolescent Development and Juvenile Justice, “Most Fall But Not All: Changes in Physical Aggression from Childhood through Adolescence.” Chicago. (September 12, 2003)

Netherlands Institute for the Study of Crime and Law Enforcement, Workshop “Measuring Continuity & Change: A Semi-parametric, Group-based Approach.” Lieden, Netherlands (Dec. 15-16, 2003)

Columbia University, Workshop, “Measuring Continuity & Change: A Semi-parametric, Group-based Approach.” (January 15-16, 2004)

University of Maryland, “Trajectory Groups: Fact or Fiction?” (April 8, 2004)

University of Michigan, “Measuring Continuity & Change: A Semi-parametric, Group-based Approach.” (May 4, 2004)

University of Kansas, Workshop, “Measuring Continuity & Change: A Semi-parametric, Group-based Approach.” (February 12-13, 2004)

Pennsylvania State University, Workshop, “Measuring Continuity & Change: A Semi-parametric, Group-based Approach.” (May 24-26, 2004)

National Institute of Justice, Annual Conference on Criminal Justice Research and Evaluation, “Developmental Origins of Violence.” (July 20, 2004)

University of Pennsylvania, “Pathways to Violence: Trajectory Analysis of the Developmental Origins of Physical Aggression.” (September 24, 2004)

Canadian Institute for the Advancement of Science, New Investigator Network, Workshop, “Measuring Continuity & Change: A Semi-parametric, Group-based Approach.” (October 1, 2004)

Texas A&M, College of Education and Human Development, “Measuring Continuity & Change: A Semi-parametric, Group-based Approach.” (February 4, 2005)

University of Pittsburgh, Psychiatric Epidemiology and Alcohol Research Training Program, “Measuring Continuity & Change: A Semi-parametric, Group-based Approach.” (February 11, 2005)

Harvard University, Applied Statistics Workshop, “Causal Inference with Group-based Trajectory Models.” (February 23, 2005)

University of Pittsburgh, Department of Psychology, “Causal Inference with Group-based Trajectory Models.” (March 18, 2005)

Society for Research on Child Development (2005 Biennial Meeting, Atlanta), Masters Lecture, “Causal Inference with Group-based Trajectory Models.” (April 8, 2005)

Albany Symposium on Crime and Justice, University of Albany, “What has been learned from group-based trajectory modeling?: Examples from physical aggression and other problem behaviors.” (April 28-29, 2005)

Telethon Institute for Child Health Research and the Centre for Developmental Health, Perth Australia, Workshop, “Analyzing Developmental Trajectories: A Group-based Approach.” (May 6-7, 2005)

University of Maryland’s 2005 Summer Workshop on Criminology and Economics, Belmont Conference Center, Elkridge, Maryland, “Causal Inference with Group-based Trajectory Models.” (June 6-8, 2005)

ICSPR Summer Workshop, University of Michigan, Ann Arbor, Michigan, “Analyzing Developmental Trajectories: A Group-based Approach.” (June 13-14, 2005)

Institute for the Study of Children, Families and Social Issues, Birkbeck University of London “Causal Inference with Group-based Trajectory Models.” (June 28, 2005)

Second Annual SCoPiC Conference, University of Cambridge, Cambridge, England, “Causal Inference with Group-based Trajectory Models.” (June 29-30, 2005)

14th World Criminology Conference (Philadelphia., PA), “Measuring Continuity & Change: A Semi-parametric, Group-based Approach.” (August 11, 2005)

University of Lancaster (UK). “Causal Inference with Group-based Trajectory Models.” (October 27, 2005)

University of Pennsylvania (Demography Center). “Causal Inference with Group-based Trajectory Models.” (November 7, 2005)

National Institute of Mental Health. “Gang Membership and Teen Violence: An Observational Study.” (December 8, 2005)

University of Chicago, Demography Center. “Gang Membership and Teen Violence: An Observational Study.” (Feb. 2, 2006)

University of California-Irvine, School of Criminology, “The Developmental Origins of Physical Aggression.” (Feb. 6, 2006)

University of California-Los Angeles, Department of Statistics. “Gang Membership and Teen Violence: An Observational Study.” (Feb. 7, 2006)

Hebrew University, School of Law, “Analyzing Developmental Trajectories: A Group-based Approach.” (March 27, 2006)

Hebrew University, School of Law, “Deterrence: The Evidence and its Implications for Policy.” (March 29, 2006)

Hebrew University, School of Law, “The Developmental Origins of Physical Aggression.” (March 30, 2006).

Sixth Annual Jerry Lee Crime Prevention Symposium, University of Maryland-College Park. “Causal Inference with Group-based Trajectory Models.” (May 1, 2006)

University of North Carolina-Chapel Hill, “Analyzing Developmental Trajectories: A Group-based Approach.” (May 30, 2006)

ICSPR , University of Michigan, Ann Arbor, Michigan, “Analyzing Developmental Trajectories: A Group-based Approach.” (June 4, 2006)

ICSPR Summer Workshop, University of Massachusetts-Amherst, “Analyzing Developmental Trajectories: A Group-based Approach.” (June 25-28, 2006)

University of South Australia, School of Commerce, “The Developmental Origins of Physical Aggression.” (August 1, 2006)

Center for Advancing Longitudinal Drug Abuse Research, UCLA. “Causal Inference with Group-based Trajectory Models.” (August 14, 2006)

University of Massachusetts-Amherst, New Methods for the Analysis of Family and Dyadic Processes, “ Combining Propensity Score Matching and Group-Based Trajectory Modeling in an Observational Study” (October 14, 2006)

Annual Meetings of the American Society, 2006 Edwin Sutherland Award Address, “Moving Choice to Center Stage in Criminological Research and Theory” (November 1, 2006)

Harris School, University of Chicago, “Unpacking the Relationship Between Adolescent Employment and Antisocial Behavior: A Matched Samples Comparison” (January 23, 2007)

Methodology Center, Pennsylvania State University (State College), “Unpacking the Relationship Between Adolescent Employment and Antisocial Behavior: A Matched Samples Comparison” (February 1, 2007)

Department of Statistics, University of Indiana, “Combining Propensity Score Matching and Group-Based Trajectory Modeling in an Observational Study” (March 26, 2007)

Stockholm Criminology Symposium, “ The Relationship Between First-Imprisonment and Criminal Career Development” (June 4, 2007)

Netherland Institute for the Study of Crime and Law Enforcement, 15th Anniversary Colloquium, “ The Relationship Between First-Imprisonment and Criminal Career Development” (August 27, 2007)

School of Public Health, University of Pittsburgh, “The Relationship between First Imprisonment and Criminal Career Development: A Matched Samples Comparison” (January

17, 2008)

Centre for Criminology, Oxford University, “The Relationship between First Imprisonment and Criminal Career Development: A Matched Samples Comparison” (March 3, 2008)

Institute of Criminology, University of Cambridge, “Analyzing Developmental Trajectories: A Group-based Approach” (March 5, 2008)

Institute of Criminology, University of Cambridge, “The Relationship between First Imprisonment and Criminal Career Development: A Matched Samples Comparison” (March 6, 2008)

University of Washington, “The Relationship between First Imprisonment and Criminal Career Development: A Matched Samples Comparison” (April 10, 2008)

University of North Carolina-Charlotte, “The Relationship between First Imprisonment and Criminal Career Development: A Matched Samples Comparison” (April 23, 2008)

University of North Carolina-Charlotte, “The Developmental Origins of Physical Aggression” (April 24, 2008)

Annual Workshop on Crime and Population Dynamics, University of Maryland, “The Relationship between First Imprisonment and Criminal Career Development: A Matched Samples Comparison” (June 3, 2008)

ICSPR Summer Workshop, University of Massachusetts-Amherst, “Analyzing Developmental Trajectories: A Group-based Approach.” (June 9-11, 2008)

Understanding and Preventing Youth Violence, Griffith University (Brisbane, Au), “The Developmental Origins of Physical Aggression” (July 9, 2008)

Fourth National Justice Modelling Workshop, Griffith University (Brisbane, Au), “The Relationship between First Imprisonment and Criminal Career Development: A Matched Samples Comparison” (July 10, 2008)

Griffith University (Brisbane, Au), “Analyzing Developmental Trajectories: A Group-based Approach.” (July 14-16, 2008).

Cornell University, School of Public Policy, “Group-Based Trajectory Modeling Extended to Account for Non-Random Subject Attrition.” (March 3, 2009).

Cambridge Institute of Criminology, University of Cambridge (UK), “Prison and its effect on crime: What is known? & How can it be used by policymakers? (March 25, 2009).

John Jay College (NY,NY), “The Relationship between First Imprisonment and Criminal Career Development: A Matched Samples Comparison” (April 30, 2009)

University of Pittsburgh, School of Public Health, “Recent Advances in Group-Based Trajectory Modeling.” (May 7, 2009).

University of Pittsburgh, School of Public Health, “Group-Based Trajectory Modeling Extended to Account for Non-Random Subject Attrition.” (May 28, 2009).

ICSPR Summer Workshop, University of Massachusetts-Amherst, “Analyzing Developmental Trajectories: A Group-based Approach.” (June 15-17, 2009)

Stockholm Criminology Symposium, “Imprisonment and Reoffending.” (June 22, 2009)

University of Alaska (workshop), “Analyzing Developmental Trajectories: A Group-based Approach.” (July 6-8, 2009)

University of Minnesota, Department of Sociology, “Group-Based Trajectory Modeling Extended to Account for Non-Random Subject Attrition.” (February 9, 2010).

University of North Carolina, Department of Psychology, “Group-Based Trajectory Modeling Extended to Account for Non-Random Subject Attrition.” (March , 2010).

Florida State University, College of Criminology and Criminal Justice, “Imprisonment and Crime: How to Reduce Both,” (March 4, 2010)

Hebrew University, “Imprisonment and Crime: Can Both be Reduced? A Tribute to David Weisburd” (March 15, 2010)

ICSPR Summer Workshop, University of Michigan, “Analyzing Developmental Trajectories: A Group-based Approach.” (June 21-23, 2010)

2nd Annual Evidence-Based Crime Symposium, George Mason University, “Imprisonment and Crime: Can Both Be Reduced?” (August 8, 2010)

Duke University, Population Center, “Group-Based Trajectory Modeling Extended to Account for Non-Random Subject Attrition.” (October 21, 2010).

Ministry of Justice, Netherlands, “Imprisonment and Crime: Can Both Be Reduced?” (December 16, 2010)

University of the Andes (Workshop) “Analyzing Developmental Trajectories: A Group-based Approach.” (January 25-26, 2011)

University of Andes, Bogota, Columbia “Imprisonment and Crime: Can Both Be Reduced?” (January 28, 2011)

COSSA organized Congressional Briefing, Washington, D.C. “Imprisonment and Crime: Can Both Be Reduced?” (February 15, 2011)

Griffith University, Brisbane, Australia “Imprisonment and Crime: Can Both Be Reduced?” (March 18, 2011)

Heinz College-Adelaide, Adelaide, Australia “Imprisonment and Crime: Can Both Be Reduced?” (March 21, 2011)

11th Annual Jerry Lee Crime Prevention Symposium (keynote address), Washington, D.C., “Imprisonment and Crime: Can Both Be Reduced?” (May 2, 2011)

2011 Annual Third Circuit Judicial Conference, Philadelphia, “Imprisonment and Crime: Can Both Be Reduced?” (May 6, 2011)

ICSPR Summer Workshop, University of Massachusetts-Amherst, “Analyzing Developmental Trajectories: A Group-based Approach.” (June 6-8, 2011)

John Jay College, “The Effect of Incarceration Evidence from a Natural Experiment” (October 6, 2011)

Columbia University, Demography Center, “The Effect of Incarceration Evidence from a Natural Experiment” (October 13, 2011)

John Jay College, “Imprisonment and Crime: Can Both Be Reduced?” (November 11, 2011)

Russell Sage Foundation, “The Effect of Incarceration Evidence from a Natural Experiment” (November 11, 2011)

Rutgers University, Department of Sociology, “The Effect of Incarceration Evidence from a Natural Experiment” (December 1, 2011)

Columbia University, Teachers College, “The Effect of Incarceration Evidence from a Natural Experiment” (February 14 , 2012)

Rutgers University, School of Criminal Justice, “The Effect of Incarceration Evidence from a Natural Experiment” (February 14 , 2012)

Vera Institute of Justice, “Imprisonment and Crime: Can Both Be Reduced?” (April 3, 2012)

University of Minnesota, School of Law, “Deterrence” (April 27, 2012)

National Bureau of Economic Research, Report of the Committee on Deterrence and the Death Penalty (July 26, 2012)

ICSPR Summer Workshop, University of Massachusetts-Amherst, “Analyzing Developmental Trajectories: A Group-based Approach.” (June 4-6, 2012)

Penn State, Report of the Committee on Deterrence and the Death Penalty (September 21, 2012)

University of Maryland, Report of the Committee on Deterrence and the Death Penalty (September 27, 2012)

Northwestern University, Report of the Committee on Deterrence and the Death Penalty (January 10-11, 2013)

University of Munich, “Analyzing Developmental Trajectories: A Group-Based Approach” (January 14-16, 2013)

University of Pennsylvania, Report of the Committee on Deterrence and the Death Penalty (January 24, 2013)

Hebrew University, “Deterrence” (March 11, 2013)

Illinois Academy of Criminology, “Crime, Imprisonment, and Police” (December 11, 2013)

Hebrew University (Workshop), “Analyzing Developmental Trajectories: A Group-based Approach.” (February 23-26, 2014)

Technion, “Analyzing Developmental Trajectories: A Group-Based Approach” (March 19, 2014)

Hebrew University, “Imprisonment and Crime: How to Reduce Both” (March 20, 2014)

Georgia State University, “When the inevitable happens—rising, not declining, crime rates—what to do?” (April 4, 2014)

Temple University, 2014 Annual Golkamp Lecture, “When the inevitable happens—rising, not declining, crime rates—what to do?” (April 21, 2014)

Stockholm Criminology Symposium, 2014 Stockholm Prize Winner Address, “When the inevitable happens—rising, not declining, crime rates—what to do?” (June 10, 2014)

Universidad de los Andes, Invited commentary at the release of the CAF report “For a Safer Latin America: A New Perspective to Prevent and Control Crime. (September 8, 2014)

President’s Task Force on 21st Century Policing. “Reinventing American Policing: A Six Point Blueprint for the 21st Century.” (February 24, 2015)

RIDGE/AL CAPONE Workshop on the Economics of Crime, Montevideo, Uruguay. Keynote Address. “Measuring the Effect of Incarceration on Reoffending.” (March 23, 2015)

Hoffinger Symposium, New York University Law School. “Reinventing American Policing: A Six Point Blueprint for the 21st Century.” (March 30, 2015)

Vera Institute, ““Reinventing American Policing: A Six Point Blueprint for the 21st Century.” (June 24, 2015)

Center for Evidence-Based Crime Policy 2015 Annual Conference, George Mason University “Reinventing American Policing: A Six Point Blueprint for the 21st Century.” (August 18, 2015).

7th Transatlantic Workshop on Crime. London, Great Britian. Keynote Address. “Measuring the Effect of Incarceration on Reoffending.” (October 2, 2015)
