### Benefits

- You will complete two semesters of coursework as an integrated undergraduate-graduate student before graduating with a Bachelor’s degree in May
- You will be able to complete an internship in the summer following your senior year
- Completing your internship prior to starting the final two semesters will allow you to have more work experience to discuss with recruiters visiting campus during the fall semester
- You will be eligible for MISM financial aid in the final two semesters of the program (after having **completed** a Bachelor’s degree)
- You may be able to exempt certain Heinz courses with units earned in undergraduate coursework which would give you more flexibility in course selection. The undergraduate courses that qualify you to exempt a Heinz course are reviewed each academic year.
