CMU AMP Specific Admission Policies					
9.	GRE/GMAT	The GRE/GMAT requirement is waived for CMU AMP applicants.			

L	10.	Bachelor's Degree	The completed bachelor's degree requirement is waived for CMU AMP applicants
L	9.	GRE/GMAT	The GRE/GMAT requirement is waived for CMU AMP applicants.

Degree Requirements							
Units required	192 units are required to complete the master's degree program						
Undergrad units toward	Up to 36 units of undergraduate classes completed while enrolled in the MSHCA program may be transferred						
the MSHCA degree	and counted toward the required 192 units (likely as electives). Courses should be upper division (course #'s 300						
	and above) and relevant to the content of the MSHCA degree. A grade of B or better must be earned in						
	count the units toward the MSHCA degree. The MSHCA Program Director will meet with you to discuss						
	undergraduate coursework that can count towards the MSHCA.						
Units remaining	At least 156 MSHCA units of coursework would remain to be completed						
	Some MSHCA courses may fulfill undergraduate requirements. You should discuss this with your undergraduate						
	advisor. Likewise, some undergraduate courses taken within the previous four years may qualify students for						
	automatic exemptions from Heinz core courses if they received a grade of B or better. These exemptions do not						
	count towards required units, but allow for more room in the student's schedule for elective coursework. You						
	should discuss exemptions with the MSHCA Program Director.						
Prerequisite Coursework	• Students should have a college level pre-calculus class or higher or have AP credit for Calculus appear on their						
	CMU transcript. If you do not have a pre-calculus class or higher on your transcript you may be offered						
	conditional admission and be required to take a pre-calculus class						
	Statistics coursework equivalent to Heinz College 90-777 Intermediate Statistics (Pre-approved CMU						
	undergraduate equivalents: 36-202, 36-309, 36-207 +36-208, and 70-207 + 70-208).						
	• Introductory Python Programming (or OOP) (Pre-approved CMU undergraduate equivalent: 15-112). If you do						
	not have a programming course, you may be offered conditional admission and be required to take a free						
	Python Programming I course over the summer preceding the start of your first semester of Heinz classes.						
	• Ideally, AMP applicants would have the ability to exempt 6-12 additional Heinz College core units. Students						
	should meet with the HCA Program Director to discuss additional course exemptions based on their individual						
	transcripts.						
Internship	Successful completion of an approved summer internship between year 1 and 2						

#### **Financial Aid Information**

Financial aid for your senior year (first year at Heinz) will continue as it has in prior years

Undergraduate students do not qualify for Heinz MSHCA financial aid

Students will qualify for aid in the final two semesters of the MSHCA - AMP (after having completed a Bachelor's degree)

Financial Aid contact: David Eber, <u>deber@andrew.cmu.edu</u>

**Benefits** 

- You will complete two semesters of coursework as an integrated undergraduate-graduate student before graduating with a Bachelor's degree in May.
- You will be able to complete an internship in the summer following your senior year
- Completing your internship prior to starting the final two semesters will allow you to have more work experience to discuss with recruiters visiting campus during the fall semester
- You will be eligible for MSHCA financial aid in the final semesters of the program (after having completed a Bachelor's degree).
- You may be able to exempt certain Heinz courses with units earned in undergraduate coursework which would give you more flexibility in course selection. The undergraduate courses that qualify you to exempt a Heinz course are reviewed each academic year.

Admissions Office – **To Schedule Interviews**: Please call (412) 268 – 2164 or email: <u>hnzadmit@andrew.cmu.edu</u>

## Accelerated Master's Program (AMP) Undergraduate Course Requirements Form

### This form is required as part of the Application for admission.

#### \*\*\* Once completed by you and your advisor – UPLOAD to your online Application for Admission\*\*\*

All students applying to the AMP must complete this form (with their advisor's signature), listing their undergraduate degree requirements (specific courses that are required, electives AND any other units required to complete their bachelor's degree) that will be remaining prior to enrolling at Heinz College (at the start of the fall semester of their senior year).

**Carnegie Mellon** undergraduate students are eligible to apply for admission to the AMP only if the student will have the ability to enroll in the necessary number of graduate courses during their senior year:

• MSHCA: 72 UNITS OR MORE MUST BE TAKEN IN THE FIRST YEAR

**Carnegie Mellon** undergraduate students are eligible to "double count" certain undergraduate coursework towards their master's degree requirements. The following applies to courses taken during their senior year, while enrolled in the AMP, with their master's program director's approval, and assuming an upper division course of grade B or higher:

• MSHCA: 36 UNITS OR LESS

Student Name:	
Student Undergraduate Major:	
# of units required to complete bachelor's degree =	

# of units remaining at the start of senior year to graduate =

Please legibly list the remaining required courses you need to take in YOUR SENIOR YEAR in order to complete your undergraduate degree, what semester you plan to take them during your senior year, and how many units you will earn for each course:

#### Required Courses to complete undergraduate degree
