Financial Aid Information

Financial aid for your senior year (first year at Heinz) will continue as it has in prior years. Undergraduate students do not qualify for Heinz MSISP M financial aid. Schedule

Accelerated master’s students are required to enroll in 24 units (equal to 2 full-semester classes) at Heinz College each semester of their senior year. Students will be required to complete a cross-registration form (PCHE) through Chatham University. Students will work with their Heinz College Program Director to determine which Heinz College courses to register for each semester.

Benefits

- You will complete two semesters of coursework as an integrated undergraduate-graduate student before graduating with a Bachelor’s degree in May.
- You will be able to complete an internship in the summer following your senior year.
- Completing your internship prior to starting the final two semesters will allow you to have more work experience to discuss with recruiters visiting campus during the fall semester.
- You will be eligible for MSISPM financial aid in the final two semesters of the program (after having completed a Bachelor’s degree).
- You may be able to exempt certain Heinz courses with units earned in undergraduate coursework which would give you more flexibility in course selection. The undergraduate courses that qualify you to exempt a Heinz course are reviewed each academic year.
