Benefits

- You will complete two semesters of coursework as an integrated undergraduate-graduate student before graduating with a bachelor's degree in May.
- You must complete an internship in the summer following your senior year.
- Completing your internship prior to starting the final two semesters will allow you to have more work experience to discuss with recruiters visiting campus during the fall semester.
- You will be eligible for MSPPM financial aid in the final two semesters of the program (after having **completed** a bachelor's degree)
- You may be able to exempt certain Heinz courses with units earned in undergraduate coursework which would give you more flexibility in course selection. The undergraduate courses that qualify you to exempt a Heinz course are reviewed each academic year.

Accelerated Master's Program (AMP) Undergraduate Course Requirements Form

UPLOAD this form to your Application for admission.

All students applying to the AMP must complete this form (with their advisor's signature), listing their undergraduate degree requirements (specific courses that are required, electives AND any other units required to complete their bachelor's degree) that will be remaining prior to enrolling at Heinz College (at the start of the fall semester of their senior year).

Carnegie Mellon undergraduate students are eligible to apply for admission to the AMP only if the student will have the ability to enroll in the necessary number of graduate courses during their senior year:

- MSPPM: 48 UNITS OR MORE MUST BE TAKEN IN THE FIRST YEAR

Carnegie Mellon undergraduate students are eligible to "double count" certain undergraduate coursework towards their master's degree requirements. The following applies to courses taken during their senior year, while enrolled in the AMP, with their master's program director's approval, and assuming an upper division course of grade B or higher:

- MSPPM: 48 UNITS OR LESS
