During our online orientation program, you will have the opportunity to speak with faculty, learn best practices for integrating a Master's program into an already-busy life, and establish relationships with one another. Guest facilitators include Mamta Gautam, MD, MBA, a physician whose practice is exclusively devoted to the wellness and development of other physicians.

After your online orientation concludes, we will commence with online courses you'd normally take shortly after your first onsite. We look forward to welcoming you to campus in February.

9/2/20 – 9/4/20	Short, interactive online sessions in the AM
9/5/20 – 12/5/20	Three consecutive, asynchronous online classes
2/24/21 – 2/28/21	Face-to-face classes in Pittsburgh
3/6/21 – 7/24/21	Four consecutive, asynchronous online classes
9/22/21 – 9/26/21	Face-to-face classes in Pittsburgh
10/9/21 – 2/5/22	Three consecutive, asynchronous online classes
2/16/22 – 2/20/22	Face-to-face classes in Pittsburgh
March/April (Exact dates TBD)	One asynchronous online class
