## Heinz College MSIT DISTANCE Courses PROJECTED Schedule - Effective January 2017

This **tentative**, **projected** schedule is **subject to change without notice**. It is intended **for Heinz College's MSIT part-time students** to draft a plan of study. Refer to the HUB's Schedule of Classes or the MSIT e-registration packet for the actual schedule of courses available for registration. **MSIT distance courses** are denoted with **course** # **95**-xxx **or 94**-xxx **and Z in the section**. Any other course number listed below is provided by another department for which we have arranged permission for Heinz MSIT students to register. **All students will get waitlisted** and you must **signup at least 2 weeks prior to the semester** to ensure timely preparation for these classes.

**NOTE TO RWANDA Campus-MSIT Students:** You have permission to take a **maximum of 12 units of 95-xxx** online courses on a space-available basis while you are at the Rwanda campus. Put yourself on the waitlist at least 2 weeks before the semester begins and **do NOT contact the faculty** about getting cleared. The Heinz MSIT staff will take care of this according to our registration policies.

NOT contact the faculty about getting cleared. The Heinz MSIT's	t to early December (includes mini 1,2)				
95-705 Z Telecommunications Mana					
95-703 Z Database Management					
95-730 Z E-business Technology & Management [Prereg: 95-705, 95-807, 95-703]					
95-758 Z Network and Internet Security					
95-833 Z Global IT Management &	Š				
17-653 D Managing Software Devel					
FALL MINI-1 [late August to mid-October]	FALL MINI-2 [mid-October to early December]				
95706-Z1 Object-oriented Analy & Design [Prereq:95-807]	95794-Z2 Tech Startup: Tools & Techniques				
95796-Z1 Statistics for IT Managers	95799-Z2 Linux & Open Source				
95831-Z1 Enterprise Architectures 95808-Z2 IT Project Management					
95852-Z1 Applied Data Science [Prereq: 95-796, 95-791]	95866-Z2 Adv Business Analytics [ <i>Prereq:95-796</i> , <i>95-852</i> ]				
95748-Z1 Software and Security	94842-Z2 Programming R for Analytics [Prereq:95-796]				
SPRING (S17 and beyond) - mid Ja	anuary to early May (includes mini 3, 4)				
95-703 Z Database Management
