

## MASTER OF SCIENCE IN PUBLIC POLICY AND MANAGEMENT (MSPPM)

### Mission Statement

The Heinz College educates men and women of intelligent action. Its Master of Science in Public Policy & Management prepares ethical leaders who analyze and implement policy; ground decisions in scientific evidence; create, transform, and manage organizations; and develop innovative solutions to important societal issues around the world.

We achieve that end through curricular and co-curricular activities that stress problem-solving and team-based learning within a diverse community of individuals who are committed to serving the public interest.
